REGISTRATION
There are two ways for attendees to register.
1. Online (Preferred)- Prospective attendees should go to our website, www.nkunorse.com/camps and scroll to the third camp section and click on Online Registration. This is a very quick and user friendly process (No Paperwork!) There are a limited number of enrollments available and space fills up quickly! Thus, early registration is highly encouraged.
2. Traditional - Prospective attendees should complete one registration form per participant for each camp and mail to the address located on the registration form of this brochure. Payment should be sent with the registration form. In addition, each participant’s parents or guardians must sign and return the release form before a registration can be considered complete.

RELEASE
For and in consideration of participation by my child in the Northern Kentucky University sports summer camps,
I agree to hold Northern Kentucky University and Stu Riddle Soccer Camps LLC and its employees harmless and to waive the right to bring legal action against Northern Kentucky University and Stu Riddle Soccer Camps LLC and its employees for any injuries sustained during the course of this sports summer camp.
Participants are encouraged to carry their own accident and/or medical insurance. Coaches and Stu Riddle Soccer Camps LLC are safety conscious and follow appropriate safety procedures. In the event of injury or illness, every effort will be made to contact the parents or guardians.
I authorize Northern Kentucky University and Stu Riddle Soccer Camps LLC to administer first aid and/or authorize medical treatment if this becomes necessary. The participant has had a medical examination within the last 12 months, and by my signature I certify that my child has no pre-existing condition that would prevent his full participation in the sports summer camp.
This agreement and waiver, having been read thoroughly and understood completely, is signed voluntarily on the registration form as to its contents and intent.

HEAT AND WEATHER POLICY
Stu Riddle Soccer Camp’s staff will make decisions based on heat and inclement weather in the best interest of the attendees. Our first priority is to make sure the attendees have a safe and fun learning experience at our camps. If the temperature and heat index rise to pre-determined levels that are standard in NCAA competition, our athletic training staff will work with our sports camp staff to ensure proper hydration, breaks, and if needed, moving inside an air-conditioned space.
If inclement weather is in the area, and particularly lightning, our athletic training staff and camp staff will also take necessary precautions to ensure the safety of our attendees by moving them indoors. Weather and natural occurrences cannot be controlled by Northern Kentucky University and Stu Riddle Soccer Camps– there will be no refunds or rescheduled dates for camp days that are affected by heat and inclement weather.
